

## **TECALEX implements turnkey plant in Dammam**

TECALEX finalized the implementation of TECALUM Arabia aluminum extrusion plant for the production of aluminium profiles in Saudi Arabia (Dammam).

MENA Business Investment Group as the business development of TECALEX in the Middle East, performing all the commercial activity and giving support for all the projects in the area, coordinated the agreement between TECALUM Arabia and TECALEX for the implementation of the new aluminum extrusion plant.

The plant is in operation since March 1, 2013.

The objective of Tecalum Arabia is to produce 5,000 Tons during 2013 and 8000 Tons in 2014.

TECALEX is a Spanish company located in Girona and is dedicated to the manufacture of machinery for aluminum extrusion profile, renovation and upgrading of presses and extrusion lines and commissioning of turnkey plants worldwide.

TECALUM Arabia is a Joint Venture 25/75 between TECALUM (Spanish company specialized in manufacturing of aluminum profiles) and Eastern Trading & Cont. Est. (Saudi Company specialized in the construction).

MENA Business Investment Group, S.L. ([www.mena-big.com](http://www.mena-big.com)) is a Spanish company with Head Quarter in Barcelona specialized in strategic consultancy of international business development between Spain and Middle East (Specially the Gulf States), with offices in Barcelona, Saudi Arabia, Dubai, Morocco and Lebanon and with infrastructures and network of contacts and partners specialized in every country of the activity zone.
